Guide to the Enrollment Process

Completing this application is the first step toward gaining acceptance into the Principles of Peer Support course. There is a limit of 24 people who can enroll in the course this semester, however, it will be offered again in the Fall of 2012. In order for us to make the best decision about who to enroll in the course this semester we ask that every student complete all the steps in one of two options described below:

OPTION ONE: (option two is on next page)

This option is the best choice for people who are:

- Unemployed or underemployed and seeking work as a Peer Support Specialist
- AND interested in the possibility of receiving some funding for tuition and books from Michigan Rehabilitative Services (MRS) or Michigan Commission for the Blind (the steps below relate to MRS, but Michigan Commission for the Blind follows a similar process, please contact them at (269) 337-3848 to find the steps you should follow).

Steps:

1. Submit completed Application for Enrollment to the Recovery Institute
2. Attend MRS orientation on Tuesdays. Kalamazoo's Main MRS Office is located at 4210 South Westnedge, Kalamazoo, MI 49008 (phone) 269- 337-3700
3. After orientation, schedule an appointment to determine your eligibility for financial assistance for education toward employment.
4. During your appointment, MRS staff will have you take an assessment of your current academic ability and your career interests. You must inform them of your interest in attending this class and they will forward your results to the Recovery Institute
